MANDATE

The British Columbia Arts Council supports the arts and cultural community by providing financial assistance, policy research, advocacy, and public education.

MISSION AND CORE VALUES

The mission of the Council is to engage all British Columbians in a healthy arts and cultural community that is recognized for its excellence. In pursuing this mission, the Council is guided by six core values:

1. Artistic excellence in all art forms.
2. Vibrant arts and cultural communities central to the creation of a healthy society.
3. Breadth of artistic activity - from emerging to established, from classical to experimental and from traditional to contemporary.
4. Inclusiveness, while respecting B.C.'s Aboriginal arts and culture.
5. Clear goals, developed in consultation with the arts and cultural communities, to guide short and long-term operations.
6. Fair and transparent administrative and adjudicative processes that adhere to the principles of accountability, independence recognition of merit, and equality of opportunity.

PROFESSIONAL PROJECT ASSISTANCE – ARTS FESTIVALS

Awards are available only once each fiscal year on a project basis to assist with the activities of professional arts festivals in British Columbia. Awards under this program are intended to encourage specific art forms, build the organizational infrastructure of festivals, and increase the availability of professional arts to the community. The program is not available to recipients of operating support from the BC Arts Council.

ARTISTIC EXCELLENCE

All artists and practitioners strive for excellence in their work. The assessment of artistic excellence is central to the evaluation of requests for funding. The fact that everyone experiences artistic work in his/her own way makes the assessment of artistic quality difficult to discuss.

The Council's approach is to consider three dimensions of artistic work.

1. Idea – the intention or artistic impetus behind the work.
2. Practice – the effectiveness of how the work is put into practice and the impact it has on those experiencing it.
3. Development – the contribution the work makes to the development of the artist, the art form and the arts more widely.

All applicants to the British Columbia Arts Council are encouraged to submit concise, realistic requests, responding fully to the assessment criteria.

An essential element of any application is insightful, critical self-reflection. The Council believes that artists and arts organizations are well placed to assess the quality of the work they produce. Members of advisory committees and juries want to hear the applicant's own assessment of the problems faced and the creative solutions under consideration.

BC Arts Council programs are accessible to Aboriginal artists or arts organizations and artists or arts organizations from diverse cultural and regional communities of British Columbia.

The Jury considers how well the applicant fulfils its mandate, mission and values through the pursuit of excellence in these three areas of assessment: artistic achievement, community engagement, and feasibility.

Feasibility (25%)

The Jury will consider the feasibility of the project. The Council's jurors will discuss the following:

- Abilities in project management, including planning, audience development, marketing, communications (e.g. with collaborators, funders, media, peer artists) and financial management.
- Demonstrated capacity to realize this project including presentation of realistic budget assumptions and projections.

BC Arts Council Grant for last fiscal year	Minimum Required Documentation

- Does not carry out its planned program of activities.
- Undergoes major changes in artistic or administrative direction.

- Does not meet its obligations as a grant recipient, including regular submission of reports to the Council.

Under normal circumstances, if a project is dependent on funding from other sources, approved awards will not be paid out until funding from other sources is confirmed.

Demonstrated Need for Public Subsidy

Public funds should be allocated in a manner that benefits the community. For that reason, the BC Arts Council assesses whether each applicant has a real need for financial assistance to realize the project for which it requests assistance.

For Applicants in the Project Assistance program, the Council evaluates need using these guidelines:

- For applicants with budgets under \$50,000: holding an accumulated, undesignated surplus in excess of 50% of annual gross revenues will influence eligibility for assistance from the Arts Council.
- For applicants with budgets greater than \$50,000: holding an accumulated, undesignated surplus in excess of 50% of annual gross revenues on the first \$50,000, plus an accumulated, undesignated surplus in excess of 25% of annual gross revenues over \$50,000 will influence eligibility for assistance.
- Surpluses generated for specific purposes (such as endowment funds and capital development) through private or public sector fundraising are exempt from this assessment of need.

In recognition of funding, the support of the BC Arts Council and the Province of British Columbia should be acknowledged in all promotional materials.
