PROGRAM GUIDELINES – 2018/19

OPERATING ASSISTANCE PROGRAM - Media Arts Organizations

Application deadline: September 30

The BC Arts Council's Operating Assistance Program aims to provide consistent and responsive funding to assist the general operations of established professional non-profit arts and cultural organizations across disciplines; in so doing, the program supports the sustainable delivery of high quality and impactful arts programs and services to communities across the province.

The Operating Assistance Program supports organizations' operations over a funding cycle of up to four years determined by discipline, type of organization and/or status within the program. Lengths of funding cycles, application requirements and eligibility criteria vary across disciplinary and other sectoral considerations. All applicants must meet the specific eligibility requirements included in the Program Guidelines.

Applications from organizations not currently receiving Operating Assistance are only accepted in Year One of a funding cycle.

The Operating Assistance Program – Media Arts Organizations is in Year Two of a two-year funding cycle.

The Operating Assistance Program offers funding through Extended Cycle and Annual grants:

- 1.) Extended Cycle (formerly Streamlined) Status:** provides established, stable organizations with a fixed funding level over an extended funding cycle. Eligible, approved organizations will receive an operating grant amount over a period of two to four fiscal years based on an initial request amount and subject to annual reporting and budgetary approvals. Organizations on Extended Cycle Status must submit an interim report by the program deadline annually in order to receive a grant in each of the subsequent years within their funding cycle.
- 2.) Annual Status:** provides funding for annual operations to organizations that are newly entering the operating program; experiencing significant transition; or requiring closer monitoring as identified by the Advisory Committee, Council or staff in consideration of Program Guidelines and Council policy. Those organizations placed on Annual Status must submit a full Operating Assistance – Annual Status application by the program deadline each year of the funding cycle.

About the BC Arts Council: New Foundations

The BC Arts Council is an agency of the provincial government established by the *Arts Council Act*, for the purposes of:

- Providing support for the arts and culture in British Columbia;
- Providing persons and organizations with the opportunity to participate in the arts and culture in British Columbia; and
- Providing an open, accountable and neutrally administered process for managing funds for British Columbia arts and culture.

In July 2018, the BC Arts Council released [New Foundations: Strategic Plan for the British Columbia Arts Council 2018-2022](#), which articulates the following vision:

“Artists and cultural organizations in British Columbia are well-supported, thriving, and able to reach their full potential under principles of equity, diversity, accessibility, and reconciliation. Arts and culture are seen as fundamental to developing vibrant and resilient communities, where the people of British Columbia are highly engaged in the province’s unique arts and culture sector recognized for its innovation and leadership in Canada and abroad.”

Strategic Directions

The new strategic plan lays out four new strategic directions for the BC Arts Council, intended to facilitate more equitable access to arts funding and informed by the current context facing the arts and culture sector in B.C.:

- Sustainability and Creative Development
- Equity, Diversity and Access
- Indigenous Arts and Culture
- Regional Arts and Community Arts

Values

The current year is one of transition, as Council’s funding priorities and programs begin to navigate from the previous strategic plan to the full implementation of its new strategic directions. Throughout this transition, Council is highlighting and strengthening some of its previous commitments, as expressed through values such as access, recognition, engagement and consultation, while signalling the new values that will guide all of Council’s decisions and activities, from program design to the peer review process, into the future:

- Artistic Development and Achievement
- Indigenous Engagement and Cultural Vitality
- Equity, Access and Diversity
- Collaboration and Partnerships
- Engagement and Participation
- Recognition and Promotion
- Fair and Transparent Governance

Throughout all of its work, the BC Arts Council is committed to upholding the principles outlined in the [Calls to Action of the Truth and Reconciliation Commission](#) and the [United Nations Declaration of the Rights of Indigenous Peoples](#) (the Declaration), as adopted by the Province of British Columbia.

About the Operating Assistance Program – Media Arts

The Operating Assistance Program for Media Arts Organizations contributes to the support of professional, not-for-profit media arts organizations that sustain an annual artistic program encompassing production, distribution, collections and dissemination activities. Media arts are defined as works in film, video, audio/sound art and new media. New media includes new information and communications technologies used for artistic expression.

The Operating Assistance Program – Media Arts is entering Year Two of a two-year funding cycle.

All eligible Media Arts Organizations will apply in Year One. Assessment will determine whether successful applicants will be placed on Extended Cycle or Annual Status.

- **Extended Cycle Status:** Media Arts organizations placed on Extended Cycle Status will be approved for a grant amount that will remain fixed for each year of the funding cycle. Organizations on Extended Cycle Status must submit a report annually by the program deadline in order to receive funding for Year Two. Full information about the requirements for the Extended Cycle Interim Report, including the Interim Report Form, is available [on our website](#).
- **Annual Status:** Approved Media Arts organizations that are new entrants to the operating program; experiencing significant transition; or requiring closer monitoring as identified by the Advisory Committee, Council or staff in consideration of Program Guidelines and Council policy, may be placed on Annual Status. Annual Status applicants will be required to submit a full application in Year Two of the funding cycle.

In September 2019, all eligible applicants will apply for support for the next extended funding cycle.

The BC Arts Council will not accept new applications for Operating Assistance or Enhanced Capacity during Year Two of the funding cycle.

Eligibility for the Operating Assistance Program – Media Arts

Only organizations that received Operating Assistance in Year One are eligible for assistance in Year Two.

- For organizations that have previously received Operating Assistance:
 - Eligibility is reviewed annually.

Ineligible applications will not be reviewed by Advisory Committees.

Exclusions

Operating assistance is not available for:

- start-up costs
- seed money
- capital expenditures (construction, renovation, or purchase of property or equipment)
- feasibility studies
- budget deficits

Submission Requirements – Media Arts

All applicants, especially new applicants, are urged to discuss their request with the appropriate program officer prior to submission.

The application must be printed on single-sided, standard letter-sized white paper, font size 11 or larger, with one-inch margins, and submitted unbound and without staples.

It is the applicant's responsibility to ensure applications are complete and all application requirements are included. The BC Arts Council will not contact applicants to address errors in applications or missing application requirements, including support material, other than that required to determine eligibility. Eligible applications and any supporting material will be assessed as they have been submitted.

Extended Cycle Status - Report Requirements

All Extended Cycle applicants must complete and submit the Extended Cycle Report, including a signed and completed Extended Cycle Report Form, documentation of significant changes from the Year One submission, two copies of the organization's most recent Financial Statements (see below), and updates to the financial and statistical information entered in CADAC.

The report must be printed on single-sided, standard letter-sized white paper and submitted unbound and without staples.

There are no Annual Status applicants to Operating Assistance Program – Media Arts in 2018/19.

All required financial and statistical information must be entered, uploaded and saved to CADAC for reconciliation and validation by the [application deadline date](#).

Support material will not be returned.

FINANCIAL STATEMENTS

Financial Statements must include:

- a Balance Sheet, Income Statement and Notes;
- an itemized list of grants identified by funder, either in the income statement or in an attached schedule; and,
- a breakdown of operating net assets, distinguishing between unrestricted net assets and capital assets.

The type of Financial Statements required is based on the recipient’s last BC Arts Council award (excluding special projects); in the case of new applicants, internally prepared financial statements are acceptable. Internally prepared financial statements must be signed by two board members of the organization. Council staff reserves the right to request audited Financial Statements if deemed appropriate, regardless of the amount of the applicant’s last award.

BC Arts Council Grant for last fiscal year	Minimum Required Documentation
Up to \$10,000	Internally prepared Financial Statements signed by two board members
\$10,001 - \$25,000	Independently prepared “Notice to Reader” Financial Statements
\$25,001 - \$100,000	“Review Engagement” Financial Statements
Greater than \$100,000	Audited Financial Statements

CADAC

The BC Arts Council collects financial and statistical information through a national online database called CADAC (Canadian Arts Data/Données sur les arts au Canada). This system enables arts organizations applying for operating funding from public funders who are members of CADAC to submit their financial and statistical information in the same format.

You must use the CADAC Financial Form for Arts Organizations and the Statistical Form for Arts Organizations to submit your financial and statistical information.

In addition to the hard copies submitted with your application, your organization’s Financial Statements must be submitted to CADAC to be reconciled against the Last Year Actuals you have entered in the database. The Last Year Actuals entered in CADAC must be reconciled and locked by CADAC staff prior to adjudication.

Accurate assessment of your organization’s request to the BC Arts Council depends upon you providing this financial and statistical information to CADAC in sufficient time for reconciliation and validation

Contact CADAC or your program officer for details.

New applicants should discuss CADAC requirements with their program officer.

Assessment Criteria

The three areas of assessment are set out below, along with their relative weighting.

Throughout the application and assessment, applicants and the Advisory Committee should:

- Consider and discuss how the organization fulfills its mandate, mission and values through the pursuit of excellence in each of the three areas of assessment.
- Respond to the core values and strategic directions of Council presented above in considering and discussing each of the three areas of assessment as they relate to the applicant's mandate, mission, values and activity.

In evaluating each application, the Advisory Committee is asked to consider a number of possible criteria under each area of assessment. It is important to note that not all of the criteria will apply to every applicant; rather, they are examples of aspects that might be considered and should be addressed in the application if relevant to the organization and its work. Additional aspects may be considered based on the context of individual applicants.

Applications are judged against these criteria alongside a number of equally eligible applications, including those from organizations not currently receiving operating assistance.

An essential element of any application is insightful, critical self-reflection. Members of advisory committees and juries want to hear the applicant's own assessment of the problems faced and the creative solutions under consideration.

In each area, the Advisory Committee considers the organization's reflection on both past achievement and proposed plans.

ARTISTIC/CURATORIAL ACHIEVEMENT (50%)

The Advisory Committee will assess the professional artistic/curatorial achievement of the organization, acknowledging the range of practices that may exist. Advisory Committees may discuss the following:

- The artistic/curatorial vision of the organization and artistic leadership.
- The strength of the artistic/curatorial intention in the organization's work and programming, including how well programming activities relate to the written mandate, mission and core values.
- The organization's activation of its permanent collections, as appropriate.
- The organization's overall activities and contribution to the development of media arts practice.
- A range of internal and external factors affecting the current levels of achievement.
- Vigour, originality and risk in the overall artistic endeavour.
- Level of professional fees, other compensation and quality of working conditions for artists, curators, volunteers and employees, including safety considerations and culturally appropriate support.
- The organization's relationship to local and global artistic practice in the context of a culturally diverse and geographically vast province.
- The achievability of the proposed program.
- The impact of the organization's artistic/curatorial activities on the audiences and publics experiencing it.
- The impact of the proposed program of activities on the creative growth and development of artists, curators and other arts professionals.

COMMUNITY ENGAGEMENT (25%)

The Advisory Committee will assess the organization's engagement with and impact on the media arts community; its identified artistic/cultural communities; the broader arts and cultural community; and, its identified audiences and/or publics. Advisory Committees may discuss the following:

- How community engagement practices serve the artistic/curatorial vision.
- The inclusion of and engagement with appropriate protocols and practices, particularly in regard to Aboriginal artists and communities.
- Ongoing engagement with a range of artists, arts organizations and communities, especially with Aboriginal, culturally diverse and geographically isolated communities.
- Partnerships with other organizations.
- Presentation of work by and employment of British Columbians.
- Calculated risk-taking with regard to public engagement.
- The importance of the artistic/curatorial practice, programming and outreach initiatives to the organization's identified communities, including the arts community and the community at large.
- The appropriateness of proposed marketing, outreach and audience development activities.
- The strength of educational and/or outreach programming.

ORGANIZATIONAL CAPACITY (25%)

The Advisory Committee will assess the organization's management, leadership and human resources, including policies, planning and governance, as they contribute to the sustainability, resilience, and capacity of the organization.

Advisory Committees may discuss the following:

- The achievability of proposed plans to build organizational capacity.
- The internal and external factors contributing to the organization's current and potential capacity across all areas, including artistic/curatorial planning, communication, audience development, marketing, fund development, financial management, human resources, governance, etc.
- Analysis of current financial position, including appropriate working capital ratio and management of surplus or deficit situations, including reserve and/or restricted funds.
- Presentation of realistic budget assumptions and projections, with a diversified revenue base including earned revenues, federal and local government support and private fundraising.
- Opportunities for professional development for staff and the board of directors.
- Quality of staff and employee recruitment, tenure and succession planning.
- Level of volunteer activity, including number of volunteers and their function, as it serves the artistic/curatorial vision and community engagement objectives.
- Structure, level of activity and function of the board as it serves the artistic/curatorial vision, including board tenure, self-assessment initiatives and quality of recruitment and succession planning.
- Governance practices and policies.

Considering Cultural Context

All applicants should consider the issues around cultural appropriation if using the cultural forms, aesthetics or iconography of cultural communities removed from their social, political and cultural roots. Cultural appropriation can also occur when there is insufficient credit given to the sources of artistic and cultural work. Cultural appropriation diminishes access and reduces the opportunity for artists from Indigenous and diverse cultural communities to tell their own stories.

If working with Indigenous peoples, communities, culture or intellectual property (including but not limited to stories, songs, dance, designs, art, traditional knowledge or other cultural expressions), applicants should consider the principles outlined in the [United Nations Declaration of the Rights of Indigenous Peoples](#) (the Declaration). The Declaration affirms that Indigenous peoples have the right to self-determination and the right to practice and revive their culture and traditions. As stated in Article 11 of the Declaration,

“This includes the right to maintain, protect and develop the past, present and future manifestations of their cultures, such as archaeological and historical sites, artefacts, designs, ceremonies, technologies and visual and performing arts and literature.”

Article 31 of the Declaration affirms the rights of Indigenous peoples to maintain, control, protect and develop their cultural heritage, traditional knowledge and cultural expressions and their manifestations and intellectual property. If you are working with traditional knowledge, you will need to explain how you have addressed cultural protocols and/or received permissions where required.

Application Deadline and Submission

The deadline for the Media Arts Organizations Operating Assistance Program is **September 30**.

Applications are accepted by mail and must be postmarked **by Canada Post or a courier company no later than September 30**. Applications may be hand delivered or delivered by courier to 800 Johnson Street, Victoria, BC, up to 4:00 p.m. on the deadline day.

Applications by email or fax will not be accepted.

Note: if the deadline falls on a weekend or statutory holiday, the deadline becomes the next business day.

Adjudication Process

Merit-based, independent adjudication is the primary method of evaluation.

In Year One, all applications for Operating Assistance are assessed by peer Advisory Committees. Advisory Committees are comprised of individuals with expertise in relevant artistic discipline(s), genre(s) or practice(s). When selecting jury and committee members, Council considers broad professional knowledge, expertise, geographical representation and diverse aesthetic, organizational and cultural viewpoints, including those from Indigenous perspectives.

The following process is used to evaluate every application:

- The British Columbia Arts Council receives applications and acknowledges receipt by email within two weeks of the deadline date.
- Council staff reviews applications for eligibility.
- The Advisory Committee evaluates the applications using the assessment criteria outlined below.
- The Advisory Committee submits to Council its recommendations for funding and conditions on the payment of awards.
- Council reviews the recommendations of the Advisory Committee.

- Council informs each applicant of its decision in writing.
- Applicants are urged to contact their program officer for feedback on their applications.
- Within 30 days of notification of the results, applicants may appeal the decision based on the Council's written appeals policy.

Applicants on Annual Status will continue to be assessed by peer Advisory Committees in subsequent years of an extended funding cycle. Extended Cycle applications are assessed by staff only, who may refer applications to Advisory Committees for review on a case-by-case basis (see Funding Status below).

Notification of Awards

Decisions will be made within sixteen weeks of the application deadline. All applicants will be notified by letter. Results will not be released by telephone or email.

Funding Status

Within the Operating Assistance Program, successful applicants may hold either Extended Cycle Status or Annual Status

EXTENDED CYCLE STATUS

Under normal circumstances, the grant amount from Year One will remain stable for the subsequent year(s) of the funding cycle. Media Arts organizations on Extended Cycle Status will not submit a full application for Year Two (2018/19) but must submit an Extended Cycle Interim Report, including additional documentation as required, to request and release their 2018/19 grants.

Full information about the requirements for the Extended Cycle Interim Report, including the Interim Report Form, is available [on our website](#) .

The next full application for Media Arts organizations on Extended Cycle Status will be made in September 2019.

ANNUAL STATUS

Organizations receiving Operating Assistance for the first time may, at the recommendation of the Advisory Committee and approval by Council, be placed on Annual Status. Annual Status may also be applied to organizations in transition or for which the Advisory Committee, Council or staff expressed a need to monitor more closely in light of Program Guidelines and Council policy.

Organizations placed on Annual Status, and/or organizations that remain or are placed on Concerned Status, will:

- Be required to submit a complete application on an annual basis; and,
- Be subject to annual adjustments to grant amounts within the stated funding cycle.
- Receive an award on an annual basis.

CONCERNED STATUS

Organizations funded through the Operating Assistance Program are subject to the BC Arts Council's Fair Notice Policy. The Fair Notice Policy warns poorly performing organizations of the possibility of a phased loss of all operating funding, unless significant improvements are achieved, through the designation and application of Concerned Status criteria.

Organizations that remain or are placed on Concerned Status under Council's Fair Notice Policy will:

- Be required to submit a complete application on an annual basis;
- Be subject to annual adjustments to grant amounts, including reductions of up to 20%, within the stated funding cycle; and,
- Receive an award on an annual basis.

PAYMENT OF AWARDS

All payments of grant monies to the grant recipient are subject to an authorizing appropriation under the Financial Administration Act.

Grant recipients must promptly inform the BC Arts Council of substantive changes to the organization, including:

- Significant shifts in structure, staffing or activities
- Major changes to proposed activities;
- Changes in legal status, ownership, corporate structure, name, or mandate;
- Danger of insolvency, bankruptcy, or credit protection;
- Legal proceedings that pose a financial or reputational risk.

The British Columbia Arts Council reserves the right to redistribute, delay or suspend payments if the organization:

- Does not carry out its planned program of activities.
- Undergoes major changes in artistic or administrative direction.
- Does not meet its obligations as a grant recipient, including submission of final reports to the Council.
- Fails to comply with legal obligations.
- Demonstrates significant risk of insolvency or bankruptcy.
- Fails to respect the commitment to provide a safe and respectful workplace free from harassment, discrimination and sexual misconduct.

Advisory Committees and/or Council staff may also require organizations to provide additional information on an annual basis based on specific criteria or eligibility or policy concerns. In those cases, grants may be conditional or subject to adjustment based on these Payment of Awards guidelines, based on the information submitted, the recommendation of the peer review committee, and approval by Council.

APPEALS POLICY

The BC Arts Council appeals policy allows for appeals of funding decisions in programs utilizing the Advisory Committee process¹. Appeals will be considered when the applicant can demonstrate that there was significant information available to the Committee at the time of adjudication that was not presented at the meeting or that was substantively misunderstood by the Committee.

The BC Arts Council will not consider notices of intention to appeal that question only the assessment of artistic merit.

¹ Advisory Committees make recommendations to the Board for operating funding; juries make decisions for project assistance programs.

Grant Amounts

All applicants will request a grant amount for Year One that will serve as a basis for the requests for the subsequent fiscal year(s) of the funding cycle.

The minimum grant amount within the Operating Assistance Program is \$20,000. There is no maximum grant amount. All applicants to the British Columbia Arts Council are encouraged to submit concise, realistic requests, responding to the assessment criteria.

Under normal circumstances, for organizations on Extended Cycle Status, there will be no adjustment to the grant amount within a funding cycle and the amount awarded in Year One will carry over for the remaining fiscal years of the designated funding cycle.

Organizations placed on Annual Status or Concerned Status will be subject to annual application requirements and the possibility of adjustments within funding levels at the recommendation of Advisory Committees and approval of Council.

The program offers annual grants in set amounts of either \$15,000 or \$30,000 in each year of the Extended Funding Cycle within the BC Arts Council's Operating Assistance program.
