

BC Arts Council Assessors for 2024/25

Council grant programs are reviewed through peer assessment. Independent artists, arts administrators, and other professionals working in the sector meet to assess grant applications, advise on priorities, and make recommendations to Council on the awarding of grants.

What follows is a complete list of assessors who sat on BC Arts Council assessment panels and advisory committees between 1 April 2024 and 31 March 2025. We are grateful to these individuals who served as advisors and assessors for the BC Arts Council as well as for Council programs offered through ArtStarts in Schools, BC Live Performance Network, Creative BC, and First Peoples' Cultural Council. Please also see [the full list](#) of individuals, organizations, and partner agencies who received funding during this period.
