Acknowledgement

The BC Arts Council acknowledges it carries out its work on the land of Indigenous nations throughout British Columbia. We pay our respects to the Elders and Knowledge Keepers, past and present, descendants and custodians of these lands and waters. We are grateful for the continuing relationships with Indigenous people that develop through our work together. We acknowledge and raise our hands to the ləkʷəŋən (Lekwungen) people, known today as the Songhees and Esquimalt Nations, on whose lands we operate our main offices.

This grant program provides one-time funding for specific projects. Project grants are not meant to cover ongoing expenses.

Category 1: Outbound Activity

Category 2: Inbound Activity*

Examples include (but are not limited to):

They are requesting support for shipping and visa costs, travel and accommodation for the artist.
- An artist-run-centre on Vancouver Island and a publishing house in Prince George partner to bring two writers from Chilliwack to their cities, sharing presentation costs for readings and an artist talk. Each applicant is requesting BC Arts Council support for travel and accommodation to host the writers in their home bases.
- A theatre organization in Vancouver is bringing in the production team from a show they will host from Calgary, to evaluate the technical set up of their venue, hold auditions for a local role, and plan marketing and outreach activities for the eventual production. They are requesting BC Arts Council support for travel and accommodations to host the team.

All Categories:

- Only activities taking place after the application is submitted will be eligible for support.
- The focus of this program is supporting the mobility and circulation of artistic and cultural works and programming.
- Applicants working collaboratively, sharing an inbound tour at separate destinations, may submit separate applications. Specific phases or separate components must be clearly described by each applicant. The same project activities and expenses will not be funded through multiple grants.
- All activities must have a specific venue** at the destination(s) identified.
- Inbound hosting or presentations and Outbound tours must have written confirmations or letters of intent from the participants (inbound) or hosts/presenters (for outbound) that list the dates and compensation being provided or proposed. Compensation must be artist or presentation fees and/or in-kind contributions for Travel and/or Accommodation costs. **In-Kind festival passes or registrations are not considered eligible compensation for Inbound or Outbound tours.**
- Single events, opportunities and planning activities must have invitations or artist confirmations with specific dates, or proof of registration.

Grant Amounts

Maximum request amount is **\$25,000**.

Applicants may request:

- A grant amount up to 50% of the total eligible project budget; or
- A grant amount up to 65% of the total eligible project budget from applicants that are considered part of the BC Arts Council's [designated priority groups](#).

Requests for the maximum amount should demonstrate a large scope, potential for impact and articulate a clear rationale for why the project requires the maximum amount.

Applicant contributions to the project budget can include both cash and in-kind contributions. In-kind compensation can include travel and accommodation support. In-Kind festival passes or registrations are not considered eligible compensation for Inbound or Outbound tours.

We encourage you to submit a realistic budget outlining the funds required to feasibly carry out the proposed project. BC Arts Council intends to support successful applications at 100% of the request. However, in some cases, grants may be awarded for less than requested.

BC Arts Council grant programs are highly competitive, and we are not able to support all eligible projects. Success rates in BC Arts Council grant programs are generally between 20% to 40%. Visit the [BC Arts Council Grant Recipients](#) page to review a list of previously successful applicants and the range of grants for this grant program.

*Required artist compensation within project activities

Eligible projects must include appropriate payment to the artists, arts and cultural practitioners, and other professionals engaged in the proposed activities. At a minimum, payments to artists should be at the recommended rates set by an arts service organization, professional association (for example, CARFAC, IMAA, etc.), or by established practitioners within the field of practice. Payment structures that are not guaranteed, or that risk low or non-payment to artists and other professionals do not meet this compensation requirement (for example, commission-based sales of artworks, honoraria, percentage of door sales).

Applicants can determine compensation to Elders and Knowledge Keepers according to community context and appropriate protocols. Applicants should describe the approach used to determine the fair rate in their application.
