## Acknowledgement

---

The BC Arts Council acknowledges it carries out its work on the land of Indigenous nations throughout British Columbia. We pay our respects to the Elders and Knowledge Keepers, past and present, descendants and custodians of these lands and waters. We are grateful for the continuing relationships with Indigenous people that develop through our work together. We acknowledge and raise our hands to the ləkʷəŋən (Lekwungen) people, known today as the Songhees and Xwsepsum (Kosapsum) Esquimalt Nations, on whose lands we operate our main offices.

## About Project Assistance: Community Arts Festivals

## Who Can Apply

---

Before you begin your application, make sure your organization is eligible and your proposed project is eligible. Ineligible applications will not be forwarded for assessment.

### To be eligible, organizations must either be:

- A **Community Arts Organization**, registered and in good standing as a non-profit society or community service co-op in B.C. for at least one fiscal year prior to application with:
  - The majority of staff and board members based in B.C.

Community Arts Organizations offer a range of programming focused on enriching a specified community through a variety of arts disciplines and experiences, using a grassroots approach to providing wider service to the community beyond their membership. Although generally community-led, community arts organizations may also engage and collaborate with professional artists, arts and culture practitioners, arts administrators, Elders or Knowledge Keepers.

The application will ask you to describe how you decided fair pay rates.

Payment structures that are not guaranteed, or that risk low or non-payment to artists and other arts and culture practitioners do not meet this payment requirement (for example, commission-based sales of artworks, percentage of door sales).

A resource list of organizations that set recommended industry standard rates for artist pay (within fields of practice) is in the application form.

### Payment to Elders and Knowledge Keepers

Applicants should fairly pay Elders and Knowledge Keepers according to community context and appropriate protocols.

The application will ask you to describe how you decided fair pay rates.
