About the Accelerate Program

The Accelerate Program is a two-year initiative to improve access and reduce barriers to funding for [equity deserving and regional](#) arts and culture organizations and collectives. Funding is intended to offer stability while being flexible in supporting a range of expenses including, but not limited to:

- General operating costs
- Organizational development
- Capacity building
- Programming Costs

Grant Amounts

Maximum request amount is \$30,000 per year for two years, up to a maximum of \$60,000 over two years. Applicants may request less than the maximum.

New this year: Operating Assistance recipients are no longer eligible for the Accelerate program. Determination of the Operating Assistance grant amounts, and any increases, will take into consideration the previous combined total of the Operating Assistance and Accelerate grants.

New Operating Assistance applicants that do not receive Operating Assistance, that are eligible for the Accelerate program, may be recommended to receive an Accelerate grant based on the Operating Assistance application. **To be considered for both Accelerate and Operating Assistance, you must complete the “Accelerate Eligibility” tab in the Operating Assistance application.** Do not submit a separate Accelerate application.

Funding for successful applicants will be the same each year. The BC Arts Council intends to fund the full request amount for all successful applicants. However, in some cases grants may be awarded for less than requested.

Successful applicants that receive Accelerate funding will remain eligible for Project Assistance funding.

Exclusions – What will not be funded

Funding through the Accelerate Program is **not** available to support:

- Budget deficits or contingency funds.
- Capital expenditures above \$2500 (for example, construction, renovation, or purchase of property or equipment). Small purchases with a combined value of \$2500 total per year are eligible.
- Activities already funded through other BC Arts Council grant programs.

- Activities funded with BC Arts Council funds received through third-party delivery partners: First Peoples' Cultural Council, BC Live Performance Network, or Creative BC.
- Projects or activities that are not based on artistic or curatorial decision making, or where arts and culture is not the primary focus such as fundraising activities, competitions, family, religious, anniversary, or community celebrations.

Who Can Apply

Before you begin your application, make sure **you are eligible**. Ineligible applications will not be forwarded for assessment. If you have questions about eligibility, contact the Program Advisor.

Your application will not be forwarded for assessment if your organization or collective does not meet eligibility criteria outlined in these guidelines.

Important considerations before you apply to Accelerate

In addition to the eligibility criteria outlined below, applicants should have established operations, both administratively and financially before they consider applying. This can be demonstrated through:

- Maintaining consistency in operations and programming
- Ongoing and diverse sources of revenues outside of BC Arts Council funding
- The ability to plan programming and activities up to two years into the future

and

- The capacity to compile annual financial and statistical information

BC Arts Council Accelerate recipients are eligible to apply to discipline specific Project Assistance grant programs.

Applicants eligible to apply to both the Operating Assistance and Accelerate program **must** do so within the Operating Assistance application form "Accelerate Eligibility" tab. **Do not submit separate applications to both programs.**

General Eligibility for All Applicants

All applicants may receive Accelerate funding for up to six total years over 3 funding cycles. Cycles do not need to be consecutive.

This program is limited to organizations and collectives who:

- Identify as representing an equity-deserving group, that dedicate the majority of their activities, programming content, and financial and human resources to supporting the arts and culture practices of their specific equity-deserving group (see definition below). OR

- Are located in areas outside of greater Vancouver or the capital region. See the [BC Arts Council Glossary](#) for specific exclusions.

AND

- Provide public arts and culture programming and engagement (or service to the arts and culture sector) in B.C. as a primary activity – and have done so for a minimum of one year prior to the application closing date.

- Complete the Accelerate Eligibility tab within the application form to confirm eligibility for the program.

How funding decisions are made

Peer assessment

The following process is used to evaluate applications to this grant program:

- The BC Arts Council reviews each application for eligibility.

- Eligible applications are forwarded to an independent peer assessment panel. Assessment panels include individuals (assessors) with broad artistic knowledge, experience, geographical representation, and diverse aesthetic, institutional, and cultural viewpoints, including those from Indigenous perspectives.
- Assessors read and score the applications using the assessment criteria below.
- The assessment panel discusses, then ranks the applications. Grants are awarded based on this ranking.
- Funding priority may be given to applicants considered part of a designated priority group.
- The BC Arts Council informs each applicant of the peer assessment panel's decision approximately 16 weeks after the application closing date.
- Applicants may check the status of their application at any time through the online system.
- All results are final.

Assessment criteria

The assessment panel will read and evaluate your application based on the following criteria.

Each criteria category is assigned a percentage of your application's total score (out of 100). For example, a category weighted at 20% means you can score between 1 and 20 in that area. Compelling, detailed, and specific answers with strong evidence and clear alignment with the assessment criteria will score higher.

Keep these criteria in mind as you complete your application. Some of the specific points below may not apply to your project. However, your application should clearly explain how the proposed project generally meets each area of assessment.

RECONCILIATION, EQUITY, DIVERSITY, INCLUSION AND ACCESS - 20%

The assessors will consider:

- How your organization's programming or services align with these BC Arts Council priorities.
- The opportunities you can offer to equity-deserving or under-represented communities.
- How you support truth and reconciliation with, serve, or include Indigenous peoples of Canada.
- How diverse and inclusive your leadership, human resources and outreach activities are.
- Your policies or practices for accessibility and cultural integrity.

ORGANIZATIONAL AND COMMUNITY IMPACT- 30%

The assessors will consider:

- How this multi-year funding will increase your capacity, stability, or success.
- How your history, official purpose(s) and public presence impact your community or inform your direction.
- How your board of directors, staff, membership and/or volunteers reflect and impact your community.
- How your artistic and cultural leaders, or the contracted arts and cultural practitioners you hire reflect your community.
- What you plan to do with the funding and how it will reach and impact your community.

CONTRIBUTION TO ARTS AND CULTURE PRACTICES AND PRACTITIONERS- 30%

The assessors will consider:

- How significant or relevant your public presence, programming, or services are to practitioners in your community and B.C.
- How your activities support, promote or benefit the artistic or cultural practices of your community.
- The quality and scope of your activities, and how they reflect your community.

ORGANIZATIONAL READINESS - 20%

The assessors will consider:

- How reasonable, appropriate, and adequate your budget is for your activities or goals.
- The successful completion of previous activities.
- Your connection to existing and potential funders, partners and supporters.
- Your board and leadership's role in sustaining previous and proposed activities.
- Your practices for fair payment, equitable opportunities, and a safe work environment.

The BC Arts Council is committed to targeted investment in underserved and equity-deserving organizations. These [designated priority groups](#) are the focus of strategic measures, dedicated programs, funding prioritization processes, and other equity support initiatives.

Notification of results and feedback

The BC Arts Council intends to inform applicants of the assessment results approximately **16 weeks** after the application closing date.
